Ops Interrogation course ended Tuesday; seven days, three of which were given over to practical exercises. [REDACTED] handle OI input for the AOC.

[REDACTED]

STATINTL

Basic Operations Course, requested that maximum enrollment go no higher than 40; with the present staff practical exercises cannot be run with more than that. (Can take 45 or 47 if there is an increase in staff to allow for emergency absences of instructors.)

Rumor has it that about 45 or 47 for the September running. Hugh [REDACTED] to talk with DDP/TRO as to the possibility of deferring some of these until the next running after the first of the year. ACTION

Requested approval to enroll three to five CS officers in the Grid, scheduled for first week of the Midcareer course. No problem, all o.k.

[REDACTED]

CT July Class will have 29 to 31 students. Four not chargeable to CT roles. Class composition looks interesting, "terrific language capability" and more slanted to the CS. No blacks (two are joining the January Class).
